**ISS EarthKAM**

To inspire  
the next generation  
of explorers...  
as only NASA can.

**ISS EarthKAM**

A NASA program in which  
students and educators...

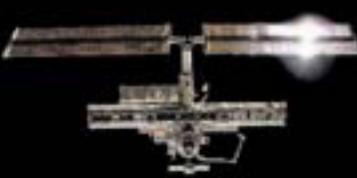

Request photographs of Earth  
by commanding a digital  
camera on the International  
Space Station

Explore pictures of Earth  
with the ISS EarthKAM  
image Datasystem

Use the images and supporting  
curriculum to meet science,  
geography, mathematics,  
and technology standards
